Student Class Trip Fact Sheet

At the Stratford Veterans Museum, students will learn about their town's history and the stories of Stratford veterans through a guided tour and interactive activities.

The museum is housed in a two-story historic homestead located at Boothe Memorial Park. The first floor is handicapped accessible including an accessible restroom.

Field trips can be arranged for during the school day. Available dates will be provided to the Stratford School systems calendar.

The duration of the tour is approximately two (2) hours.

The museum will provide you with a Durham Bus Fact Sheet. In addition, the Stratford Veterans Museum will offer grants to cover 50 percent towards bus costs.

You will be contacted by a museum representative upon the submission of the [Class Trip Application](#). The application has fillable fields. Complete the form, save it to your desktop as a copy to yourself and also email it to the Stratford Veterans Museum.

Stratford veterans and museum volunteers will conduct the tours.

The Stratford Veterans Museum can accommodate three (3) groups of ten (10) students pers visiting group. Each group must be accompanied by a teacher/chaperone at all times.
